

GALLUP Student Poll Results Summary

2013-2014 MYcroSchool Pinellas

Overview

The Gallup Student Poll measures hope, engagement, and well-being. MYcroSchool administered the poll in Fall 2013 along with nearly a half million other high school students nationwide. In the four years administering the poll, many of the questions have received higher responses than student responses nationwide. The poll reflects the many ways MYcroSchool provides an excellent educational environment for its students.

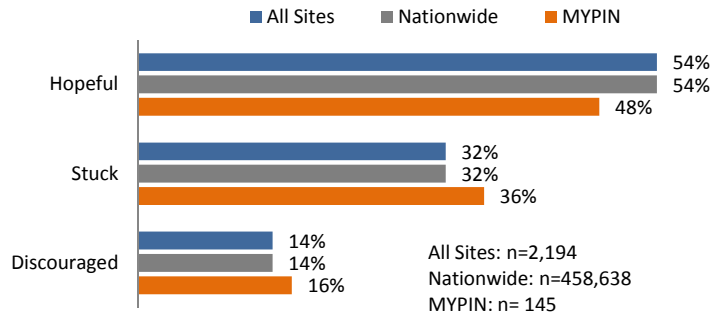

Hope

The ideas and energy we have for the future. Hope drives attendance, credits earned, and high school GPA, and is a predictor of college GPA and retention.

48% of MYcroSchool Pinellas students were hopeful in 2013-2014.

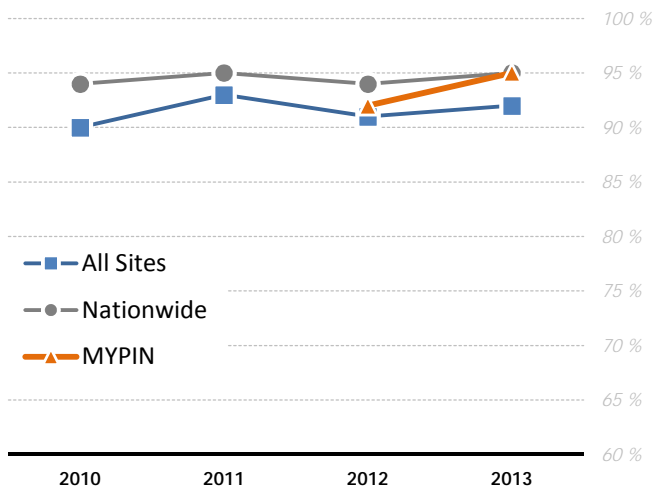

MYcroSchool Pinellas nears or surpasses national averages in the following indicators: confidence in graduation, recognition of a caring adult, confidence in getting good grades, creative problem solving, and confidence in finding a good job.

Hope Overview

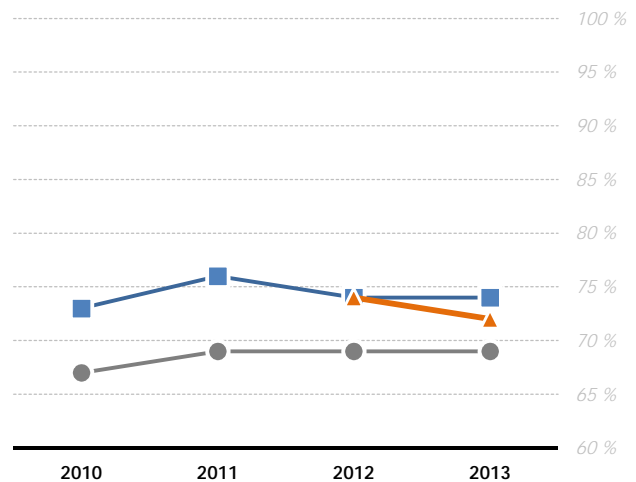

I Will Graduate

Q: I know i will graduate.

Ways Around a Problem

Q: I can find lots of ways around any problem.

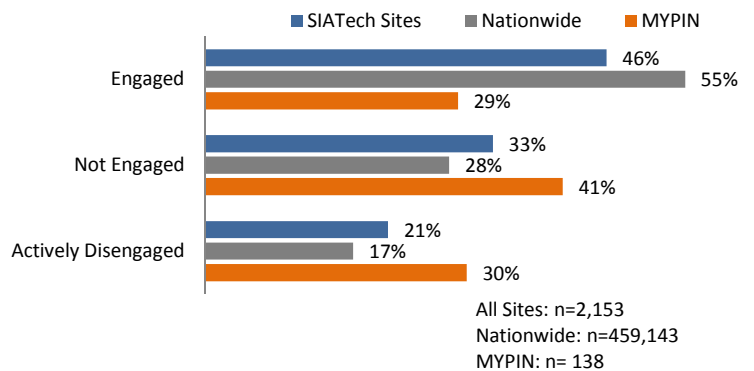

Engagement

The involvement and enthusiasm for school. According to Gallup, engagement scores separate high-performing from low-performing schools.

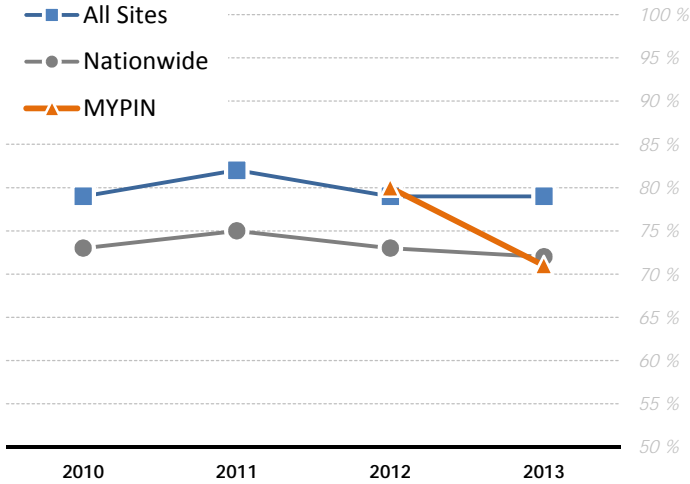

MYcroSchool Pinellas nears national responses in the following engagement indicators: school provides an opportunity to do their best, receipt of recognition or praise for schoolwork, and that the school is committed to strengths of each student.

Engagement Overview

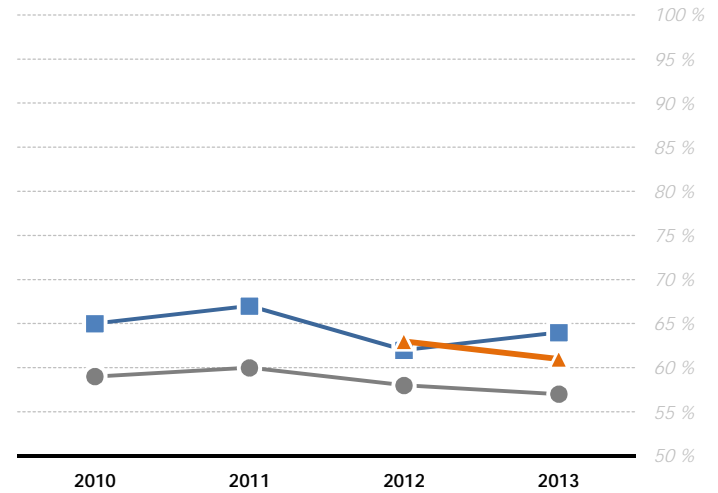

Opportunity to Do Best

Q: At this school, I have the opportunity to do what I do best every day.

Recognition/Praise

Q: In the last seven days, I have received recognition or praise for doing good schoolwork.

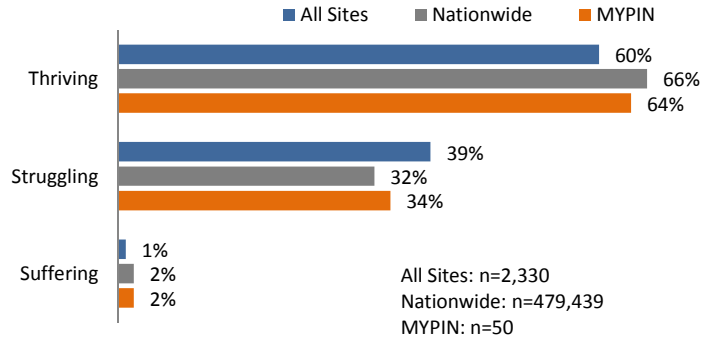

Well-Being

How we think about and experience our lives. It is an indicator of how students are currently doing and is a predictor of future success. In 2013-2014, the majority (64%) of MYcroSchool Pinellas students were thriving.

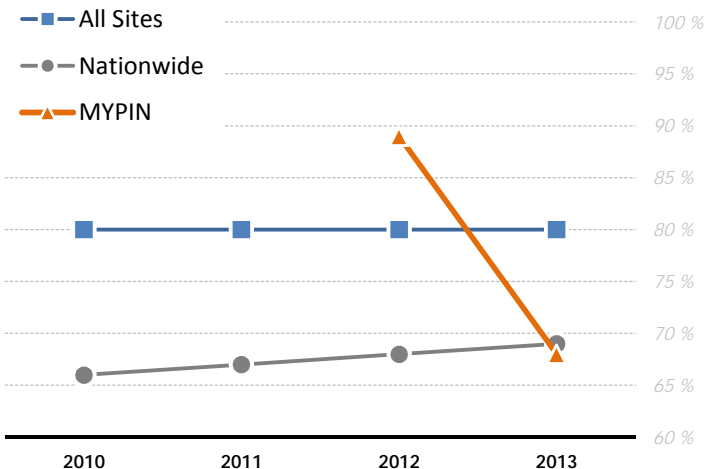

MYcroSchool Pinellas students responded more positively to the following well-being indicators: treated with respect, have enough energy to get things done, and they learn to do something interesting.

Well-Being Overview

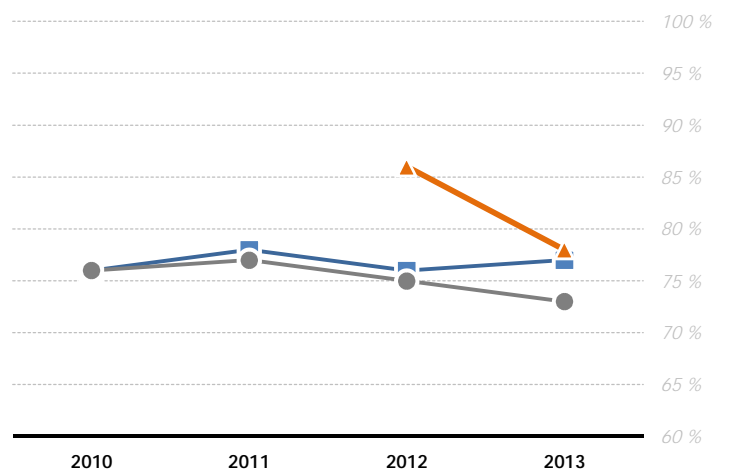

Treated with Respect

Q: Were you treated with respect all day yesterday?

Enough Energy

Q: Did you have enough energy to get things done yesterday?

The "nationwide" data reflects an aggregate of the convenience sample of schools and are not representative of US student populations. They are provided as a guide to view how MYcroSchool's results compare to the national sample results.
