Out of Field Notice

Dear Parent or Guardian:

MYcroSchool Pinellas is required to notify you that subject area certification is required for all educators who teach in public school. The required classes and passing of subject area exams vary according to subject area certification. Any educator who accepts out-of-field assignments in teaching are required to complete a minimum of six (6) semester hours of college credit, 120 in-service points, or take/pass the appropriate subject area test by August 2, 2018.

Out of Field status due to subject requirement:

Ms. Deena Szakacs: Business (6 – 12)

The educators above have been notified of this requirement and have a signed waiver on file. If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Steven G. Humphries". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.
